### Purpose of Change:

To enable MagnaChip and Lapis as dual source wafer fabrication sites

### Description of Change:

MagnaChip closed their 150 mm wafer CMOS fab in South Korea at the end of 2015. To ensure there is no disruption to supply, we have been working to transfer products from MagnaChip fab to Lapis fab in Japan. Magnachip and Lapis are qualified Peregrine fabs.

Lapis PE43711 material has been qualified with no change to form, fit, function or reliability.

Beginning Oct 11<sup>th</sup>, 2017, the PE43711 shipped to customers will be supplied from either MagnaChip or Lapis wafers.

Ordering codes:  
 (Original) MagnaChip part number: PE43711A-Z, EK43711-02  
 (New) Lapis part number: PE43711B-Z, EK43711-03

For more information, please contact PCN@psemi.com.
